In times past

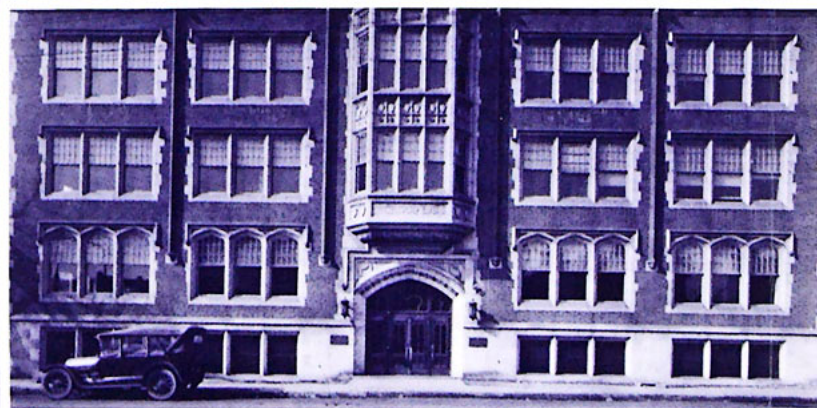

Though the school was founded in 1902 by Dr. William B. Riley as the Northwestern Bible and Missionary Training School, it was not until 1922 that Volume I of the annual came out. It was entitled *The Northwestern Pilot*. In 1926 the name changed to *The Scroll* with Volume V. Since then only some books have been given volume numbers. The last time the yearbook was volumized was in 1965 with Volume 45.

You may ask, "What's the significance of having volumized annuals?" The answer is simply that it reminds us that there is a past and it places the classes of each year more concretely into the history of the school. For 85 years there has been a NWC and for 59 of those years the yearbook has recorded the precious people and events that have shaped our institution. No year stands alone, but all are intertwined. The present and future are shaped by the past.

To the annuals of history, but most importantly, to this year's college family we present Volume 60 of *The SCROLL*.

In dedication

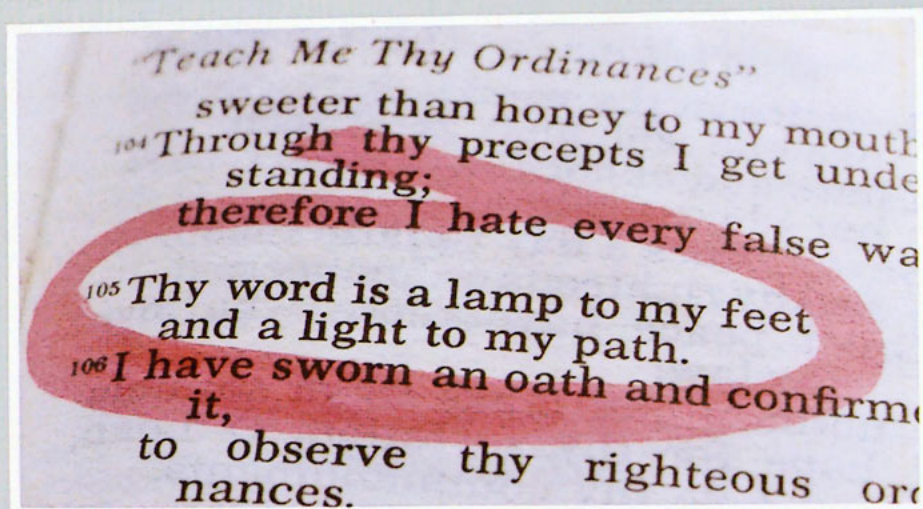

The 1987 Northwestern College *Scroll* is dedicated to our Dean of Faculty, Mr. Dwight Gunberg. Besides teaching history, he has also served as Dean of Students. In his service as Dean of Students he was advisor to the NWC Student Association. He described his job as one of "carrying out student concerns," as well as, "explaining college positions to students." Now, as Dean of Faculty, his main task has been to aid in teaching improvements, problem solving and faculty evaluations.

In everything he has done at NWC it is plain to see that his main objectives are to exemplify Christ, help the college family grow in love for Christ and each other, and humor us with his incessant anecdotes. In a message to the senior class he exhorted use to not let the law of diminishing energy rule but that "there is a source of energy for life (Christ), rely on it!" Just as *Christ make the difference*, Mr. Gunberg has made a difference in our lives by his service.

◆ Doyle Land and Kevin Danielson get down and dirty.

This year the football team tied for first place in their conference. The team tied with Northwestern College of Watertown, Wisconsin. Their in-Conference record was five wins and one loss. Out of Conference, the team had five wins and four losses.

Coach Boehland felt that the team played well. He said, "It was an exciting season because the team really played as a unit." He attributed their great success to the fact that the team had a strong desire to really work as a team-together.

The Soccer team of 1986-87 did very well. Their overall record includes sixteen wins, four losses, and one tie. One of the team's players, Kevin Fernandez thought the team did pretty good, but he also claims, "I think we could have done better". On the other hand, Freshmen Dan Todd thought it was great simply to be on the team. He liked the way everyone worked together. The Christian unity brought the team very close this season. God, in each one of their lives, certainly made a difference for the Soccer team of 1986-87.

This year, the women's Volleyball team placed second in Conference. Overall, most team members felt the season was excellent. One special aspect of this year's team is that the girls really grew closer to each other and to Christ as a result of being on the team. Freshmen Jane McNeely expressed, "I especially liked the unity of a Christian team. Everyone was so close and open with one another. We were always there to encourage each other." It truly is obvious that God made a difference in this team this year.

Running in style

This year, Northwestern's Cross Country team had only eight regular runners. The runners were Tom Smith, Paul Langmade, Milan Frank, Lisa Radcliffe, Amy Terhaar, Stephanie Swanson, Marlis Gillett, and Linda Nelson. Tom Smith was the men's captain, while Lisa Radcliff was the captain of the women's team.

The men's team had an unofficial Conference meet in which Northwestern took a first place. The women had an official Conference meet in which they placed sixth. Lisa Radcliff received a Most Valuable award from her teammates and Marlis Gillett received a Most Improved award.

Overall, Coach Greg Stevens thought the season was a success. He said, "Despite the small number on the team, there were some very good individual performances." Coach Stevens says there is a lot to look forward to for next year's team.

◆ Linda Nelson presses on.

Snow Daze

Snow Daze? What are you talking about, there was no snow! Yes, the 1987 Snow Daze, held January 12-16, were green. Although, the weather did not cooperate, NWC students managed to have fun anyway. Monday was Sweatshirt Day. Students wore sweatshirts with pride from their home states. Tuesday was Winter Sports Day. The day was full of sports such as basketball and broomball. Then, Wednesday was Beach Day. Thursday celebrated Ear Muff Day. Finally, Friday ended the week with Long Underwear Day. Activities for the following weekend included a Concert by the NWC students and rollerskating on Friday night. Saturday night, NWSA sponsored a pizza bash and showed the movie *Clue*. Overall, snow or no snow, Snow Daze was a great success.

In the Winter men's and women's basketball and co-ed broomball provided action-packed fun for those who participated. Softball brought talented teams to competition in the Spring. The waterfront was open in the Fall and Spring, offering canoeing and sailing. Year-round aerobics and open-gym were available to students and faculty to help them keep in shape. In addition to all of these activities, tournaments were offered in tennis, racquetball, bowling, and table-tennis.

ORGANIZATIONS

NWSA

"Make it Real" taken from Galatians 2:20 was the 1987 NWSA theme. The NWSA theme used it to guide them in planning the activities they sponsored.

The college experience was "made real" by the NWSA for over 400 new students during orientation week.

The NWSA ushered in Homecoming, parents weekend, and roommate roulette, with great style. Some of the highlights of these activities were the ice cream socials, banquets, and the

Pete Carlson concert. The winter quarter was warmed with "Snow Daze" which included a special Christmas banquet, dress up days, snow sculpturing, tubing and ice skating parties. All through the year the NWSA coordinated Sing-and-Share, roller skating, shuttle vans to the community, and study break socials.

Through the hard work of this dedicated group of student leaders, Christ was made "real" in many of our lives.

A day in the life of an RA

The daily routine of an RA (Resident Advisor) holds many responsibilities from organizing a variety of floor activities to the inevitable weekly room inspection. These full-time students were selected for the position of RA based on their spiritual sensitivity and leadership abilities. Additional responsibilities of an RA include monitoring the student center and the residence halls and making themselves available for someone who needs a listening ear or just a shoulder to lean on.

Resident Directors (RDs) Monica Groves, Hank Ruetz and, new comer, Danette Burgess provided guidance and assistance for RAs.

Prayer is what 1:9 groups are all about. ♦♦

Each year as students arrive at college they leave friends and family behind. These people that they left behind were their supporters and encouragers. Now, suddenly, they are all alone. This year a new ministry was established for these and other problems. The ministry is 1:9 groups. The name is derived from Philippians 1:9 which states, "And this is my prayer: that your love may abound more and more in knowledge and depth of insight." The other verse the groups are based on is Colossians 1:9 which states, "For this reason, since the day we heard about you, we have not stopped praying for you with the knowledge of His will through all spiritual wisdom and understanding." The 1:9 groups meet once a week for about a half hour with an emphasis on prayer.

WVOE, the campus radio station is operated by students who are seeking knowledge and experience in broadcasting. The station featured top 40 Christian contemporary hits. Also included in its program schedule for the year was On Track, Hot Picks, Box Top, and the Men's Basketball games. The station also served the students by advertising for NWSA events and its also sponsored the Issac Air Freight concert. The student body greatly appreciated the program innovation by Rich Bontrager in his second year as program director. He was assisted by a larger staff with increased interest in participation.

This year, the Student Missionary Fellowship focused on being world Christians. Not all students are able to sacrifice a summer to travel as a missionary. SMF provided NWC students opportunities to share in missions in other ways such as prayer and financially supporting missions through SMF's weekly chapel offering. God has used SMF to make a difference at Northwestertern.

ISF: International student fellowship.

ISF is an organization of students who are citizens of a foreign country or who have an association with another country usually because of missionary parents. Northwestern's ISF group was affiliated with similar groups at Bethel and the University of Minnesota. Besides providing awareness of other cultures, ISF reminded the NWC campus family that Christ makes the difference around the world.

This year, the SCROLL staff, under advisor Mr. Beilby, had the goal of showing how God makes a difference in all aspects of our lives. Photographers worked hard to capture God's handiwork with their cameras, dedicated writers strove to write of God's work in different areas of college life, and other members thought carefully of ways to portray the difference God makes at Northwestern College. The 1986-87 staff hopes that all who read the SCROLL can see the hand of God at work in the students, staff, and faculty of Northwestern.

FINE ARTS

Fiddler on the Roof

This year, the drama department, under director Carol Thomas Johnson, produced the musical "Fiddler on the Roof." The play was performed for Parent's Weekend, October 31-November 1. The play then was performed the following weekend of November 6, 7, 8. The play centered around a Jewish family struggling with traditions. The family discovered that change is bound to come about and it must be accepted eventually. The cast, crew, chorus, and orchestra did an excellent job of making the play very real for all of us who saw it.

Christmas at Northwestern

The "Christmas at Northwestern" star shines bright. ▲

Lisa Fensterman sings a joyous song unto the Lord. ◆

This year the Christmas festivities centered around the theme "A Light ... in Darkness," and involved three evening performances on December 11-13. Besides this, a Sunday Matinee was added due to sell outs in previous years. Even with this addition, the auditorium was nearly full for every concert.

Preceding the concert was another Christmas activity. The traditional gala banquet included a group of carolers who helped create the Christmas spirit. The concert conveyed the theme of light by using a unique blend of NWC's Choirs, Ensembles, and Orchestration. Visual effects and pantomime added the finishing touches to a spectacular performance.

The College Choir sings their praise to the Lord.

Fine Arts . . . Enrich Our Lives

Sara Hackmann performs in the Orchestra. ♦
"Even a poor tailor is entitled to some
happiness!" ♦ ♦

Scott Miller warming up for curtain call with
his french horn. ♦

Fine Arts such as music, drama,
and art enrich our lives. The beauty
of the arts is ageless and extensive.
Northwestern College appreciates
the fine arts very much. They add
variety to our lives. Here is just a
taste of what Northwestern has to
offer in the area of fine arts.

He makes the difference in . . .

MINISTRIES

Chapel

"My favorite chapel had to be the Spurlows-they were great!" -Natalie Herbranson-

Once a day the NWC family gathers. They sing, pray, and listen. It is a time out of our busy days to turn to God and reflect on Him. Many students at Northwestern have favorite chapels, some include:

"My favorite was Pete Walters, that big guy that ripped the phone book. I also liked Dr. BeVier's message at Christmas."

-Wendy Morgenwick-

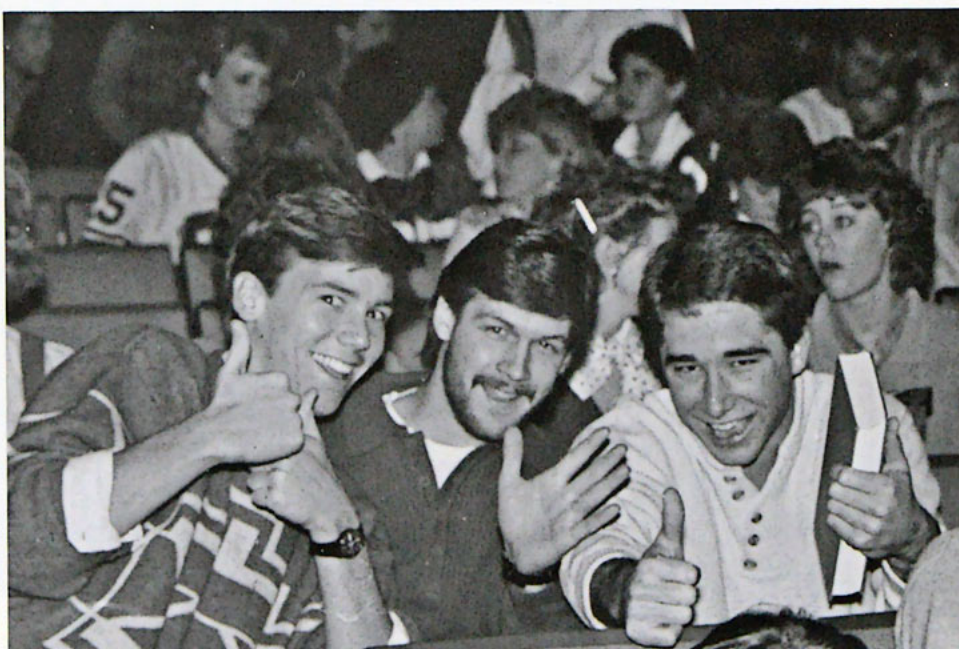

"Spiritual Emphasis Week was my favorite."

-Noel Aldrich-

"The Peters Brother's were my favorite ... but of course I am biased, they are my cousins."

-Ruth Danielson-

Chapel certainly is a very important part of our day here at Northwestern!

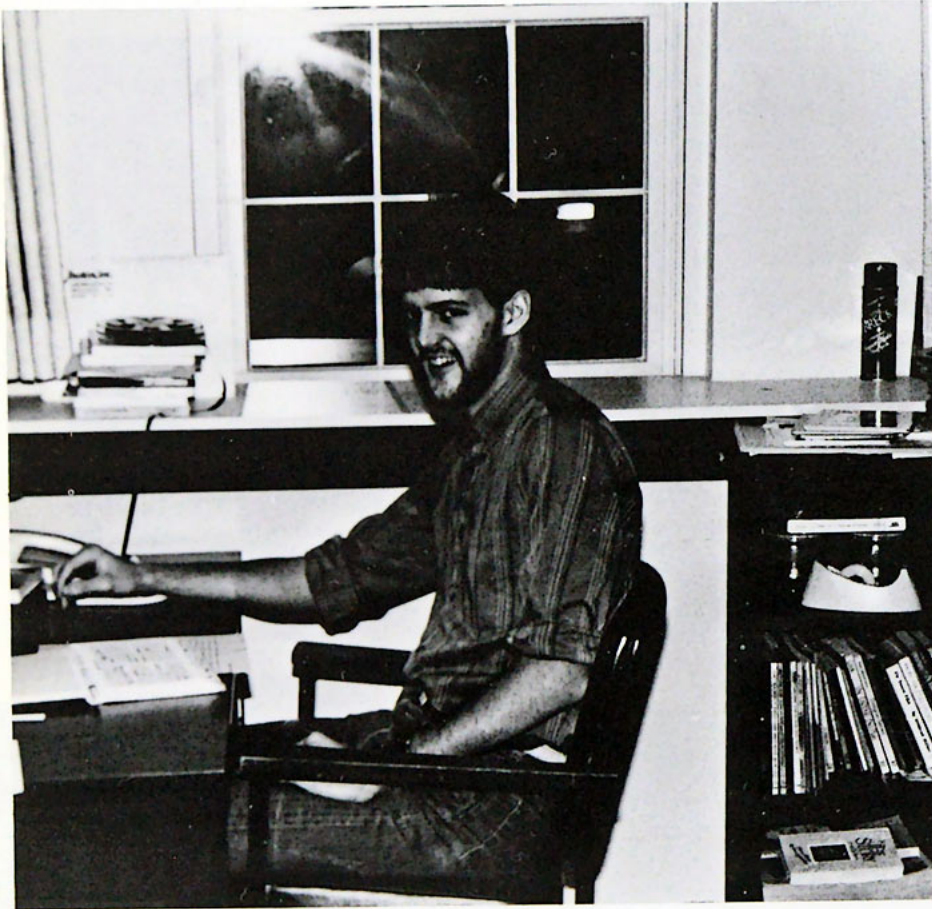

◆ A favorite part of chapel is singing.
 ♥ "That's not my best side" jokes Candy Delcastillo as she amuses the audience in chapel.

▲ Kristal Holte accompanies the chapel audience in song.

Light in the Night

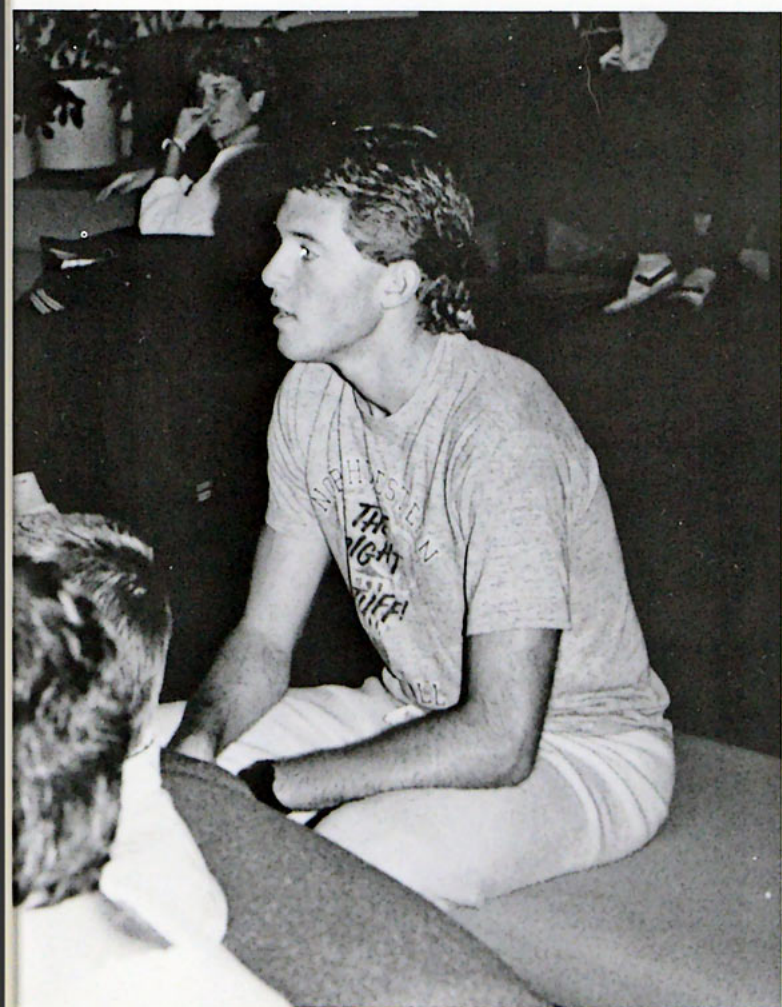

◆ Larry Davis is preparing for a caller.
Cheryl Mullin controls the switchboard for the
friendship line. ◆◆
◆ Dave Isom listens to a caller.

"Light in the Night" is a weekday program on KTIS Radio. It is aired between 11:00 p.m. and 1:00 a.m. Students from Northwestern minister by monitoring the program's Friendship Line. The phone lines are open for callers who need encouragement and a listening ear. KTIS and the Northwestern College students make a good team in this ministry.

Sheila Larson shares a favorite verse with Susan Smith and Sue Ryberg. ♦

Guitarists John Brandon and Jon Colombo along with song leader Judi Jankowski lead in Sing-and-Share worship time. ♦

Neil Rich shares with a group in the Student Center about what God is doing in his life. ♦

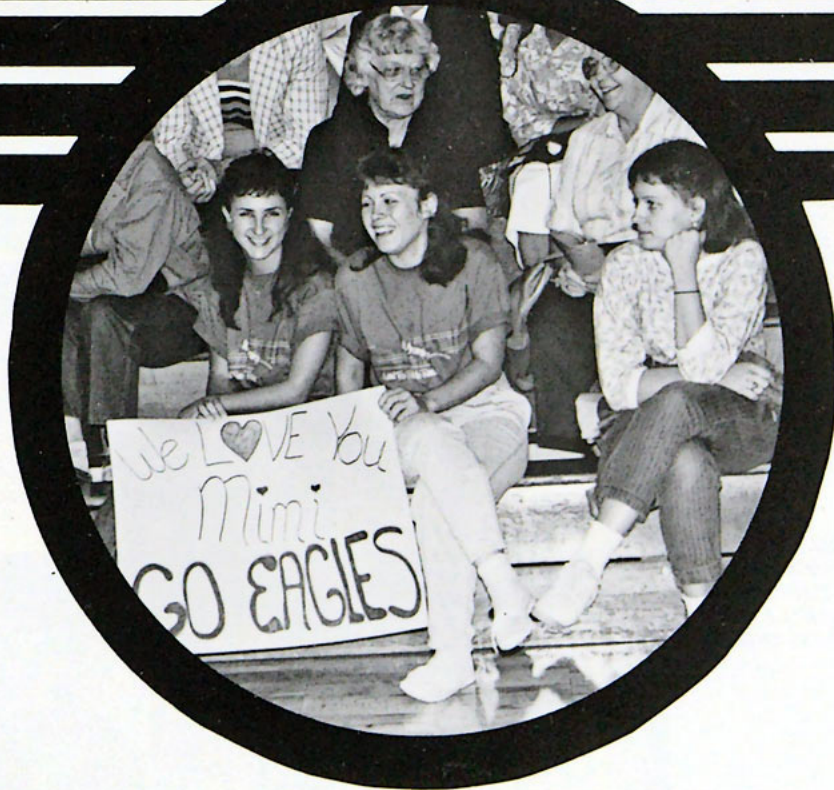

He makes the difference in. . .

A Prayer

**May my life be under your subjection
That you may work without objection.**

**May your best be my reality
That my reality might reflect your glory.**

**May your glory in me be seen by all
That they may see you, and hear your call.**

Judi Jankowski
